Idiosyncratic Impressions about Colors
(a tribute to Wittgenstein)

Acrinomy

*Idiosyncratic Impressions
about Colors*

A tribute to Wittgenstein

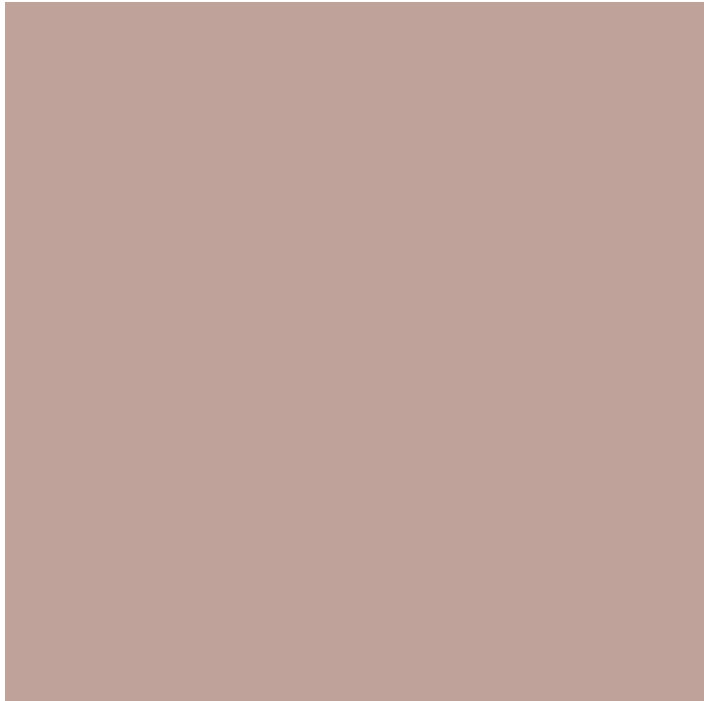

#FFB399

Candies, sweet shop. Soft, sweet,
tasteful. I'd like to squeeze and bite
this color.

#BFA299

Modern and sophisticated. Luxury lifestyle. Drinking wine outside in the evening.

#8F7972

Somehow old-fashioned, but still cool. Actually, depends on the context. Cool for philosophy book covers.

#FF9673

Young adult; contemporary. Cool
to use randomly on Lowbrow
paintings.

#FFEFBF

Coffe, milk, and bread. Watching
movies in the afternoon.

#FFBFBF

Sweet perfume before going out to a party. Pre-party anxiety. Teenage years.

#FF4D4D

Video-Game landscapes. In particular, Vice City sunset.

#BFBFFF

Ocean view. Calm days.
Daydreams.
