

~~Hyperphantasia~~

get free from
a n x i e t y attacks:
keep looking
at the ~~endless~~
I n s t a g r a m
and/or T w i t t e r
feeds.

(Just do not follow contemporary
rococo and baroque artists. Just a tip.)

(inner ~~ab~~/~~str~~/~~act~~/thoughts)

My a e s t h e t i c ambition
as a young b i o p u n k
electroclash superstar
immersed into a
creative ~~ob~~/~~s~~/~~ess~~/~~ion~~
trying to achieve
the transhuman perfection

metamorphic tattoos
blue neon veins
becoming a
post-human g h o s t...

or just an
~~ul~~/~~tr~~/~~a~~/~~m~~/~~o~~/~~d~~/~~e~~/~~r~~/~~n~~ Witch?

I really
wish an
~~alternative~~ social
network
in which
nobody can
comment or reply
to my posts...

Old people

Rude people

Mean people

Annoying people

I strongly desire

to become

my own b i o h a c k i n g

weird

~~experience~~.

I like to
to buy
plastic plants.

I just buy
plastic plants.

you do not need to
take any kind of care with them
because they are not a l i v e.

I love plastic plants.

plastic plants > real plants.

It's much more
exhausting
hang out
with people
who talk
about
themselves
all the ~~time~~

just the consummation
of the narcissistic
urban d e c a y.

All of them

Egyptian Tarot

Numerology-

Palmistry

Crystal balls

and my Astrology Chart

are sure that I have

a communication-related karma

whatever

my social skills continue to decline

I spent a whole week
without talking to anyone.

a very good time
of darkness
trapped in my ~~batcave~~
haunted
by myself
and
c h a o s.

Heresy?

Could I
play
Egyptian Tarot
or pay for a
crystal gazing section
to discover
malwares
infecting
my computer?

It's
hard
to create
an u l t r a m o d e r n
concept
in fine arts...

perhaps we need
a bunch of
cyborg artists
with amplified p e r c e p t i o n s
to create it.

I want to understand
the stupid behavior
that people have:
trying
to be cool
by smoking c i g a r e t t e s
drinking alcohol
and
using
d r u g s.

The most ~~uncomfortable~~ thing
is to walk down the street
when you're not ready

people look at your hair...
that's why I like to walk at night
people rarely stare at your hair

I just
don't wanna
see ~~people~~
t o d a y .

As an amateur art critic
I decree that the L o w b r o w a r t
Massurealism and V a p o r w a v e
are the most perfect
art m~~y~~o~~v~~e~~m~~ents.

As an amateur literary critic
I decree that the experimental literature
is the future of literature...

and I have said!

(except concrete poetry, flarf poetry,
L=A=N=G=U=A=G=E and ergodic
literature. I hate these ones.)
