techno-sacred blending

Chloe was lying on the lawn

evening; Milky Way

paradise

endless clouds
the rainy fate
endless misery

I've been teased them with the truth
I was always smarter than them
but now I'm lost in the "dark"

*did you want the evil?
leaving another dimension
I'm becoming external*

the voice inside my head
scribbling my skin
youthful feelings

spiritual runner
hidden behind the lights
you can't save your life

existential dread
hopeless; anguish
do not wait for the redemption

the Exo suffocates the Ego

universal consciousness

congestion of sins

I'm falling

I'm dying

I slept to forget
cellular anguish
the evening is gone

expressionism is dangerous
she overly expressed herself
she cried

*our lives: an endless continuum
past feelings; whatever
leaves will fall tonight*

I pretend to care
but I don't care
& I don't want to know now

endopersonality

awfully pretentious

I fell

ultramodern aesthetic

the art of the future

she never understood it anyway

I'm expanding myself
exopersonality
becoming immortal

*I don't want to talk
seriously
I'll never feel anything again*

I barely leave the house

I just don't wanna go

I don't wanna go outside

deeply isolated from the world

silence therapy

I don't want to talk

glorification of sadness

angel's weak heart

sadness' revolution

there is no death

just life

but this is the end

I don't wanna cry

I don't wanna do anything

I don't wanna say anything

loneliness

the most dangerous idea

technoapothecosis

deep inside my mind

I know

but maybe I don't care

it's too delicate

I'm afraid of polluting

your pure heart & thoughts
